

Fukushima Medical University Campus Map

Fukushima Medical University has 2 campuses – the Hikarigaoka Campus, which is located in a hilly area that is around 20 minutes by car from downtown Fukushima City, and the Fukushima Station Campus, which is around 5 minutes on foot from JR Fukushima Station's east exit.

Hikarigaoka Campus

Schools and Research Buildings

- 1 Building 2 (Clinical Medical Research Building)
- 2 Building 3 (Life Sciences and Social Medicine Research Building)
- 3 Building 4 (Integrated Science Research Building)
- 4 Building 8 (School of Nursing Building)
- 5 Building 8 WEST
- 6 Building 10 (School of Medicine Research Facility)
- 7 Building 12 (New Workshop Building)

Shared Facilities

- 8 Building 5 (Welfare Building / Lecture Building / Workshop Building)
- 9 Building 6 (Lecture Building)
- 10 Building 11 (Clinical Lecture Building)
- 11 Lecture Hall
- 12 University Academic Information Center
- 13 Gymnasium
- 14 Baseball Field
- 15 Tennis Course
- 16 Japanese Archery Grounds
- 17 Archery Grounds
- 18 Land Sports Grounds

University Hospital

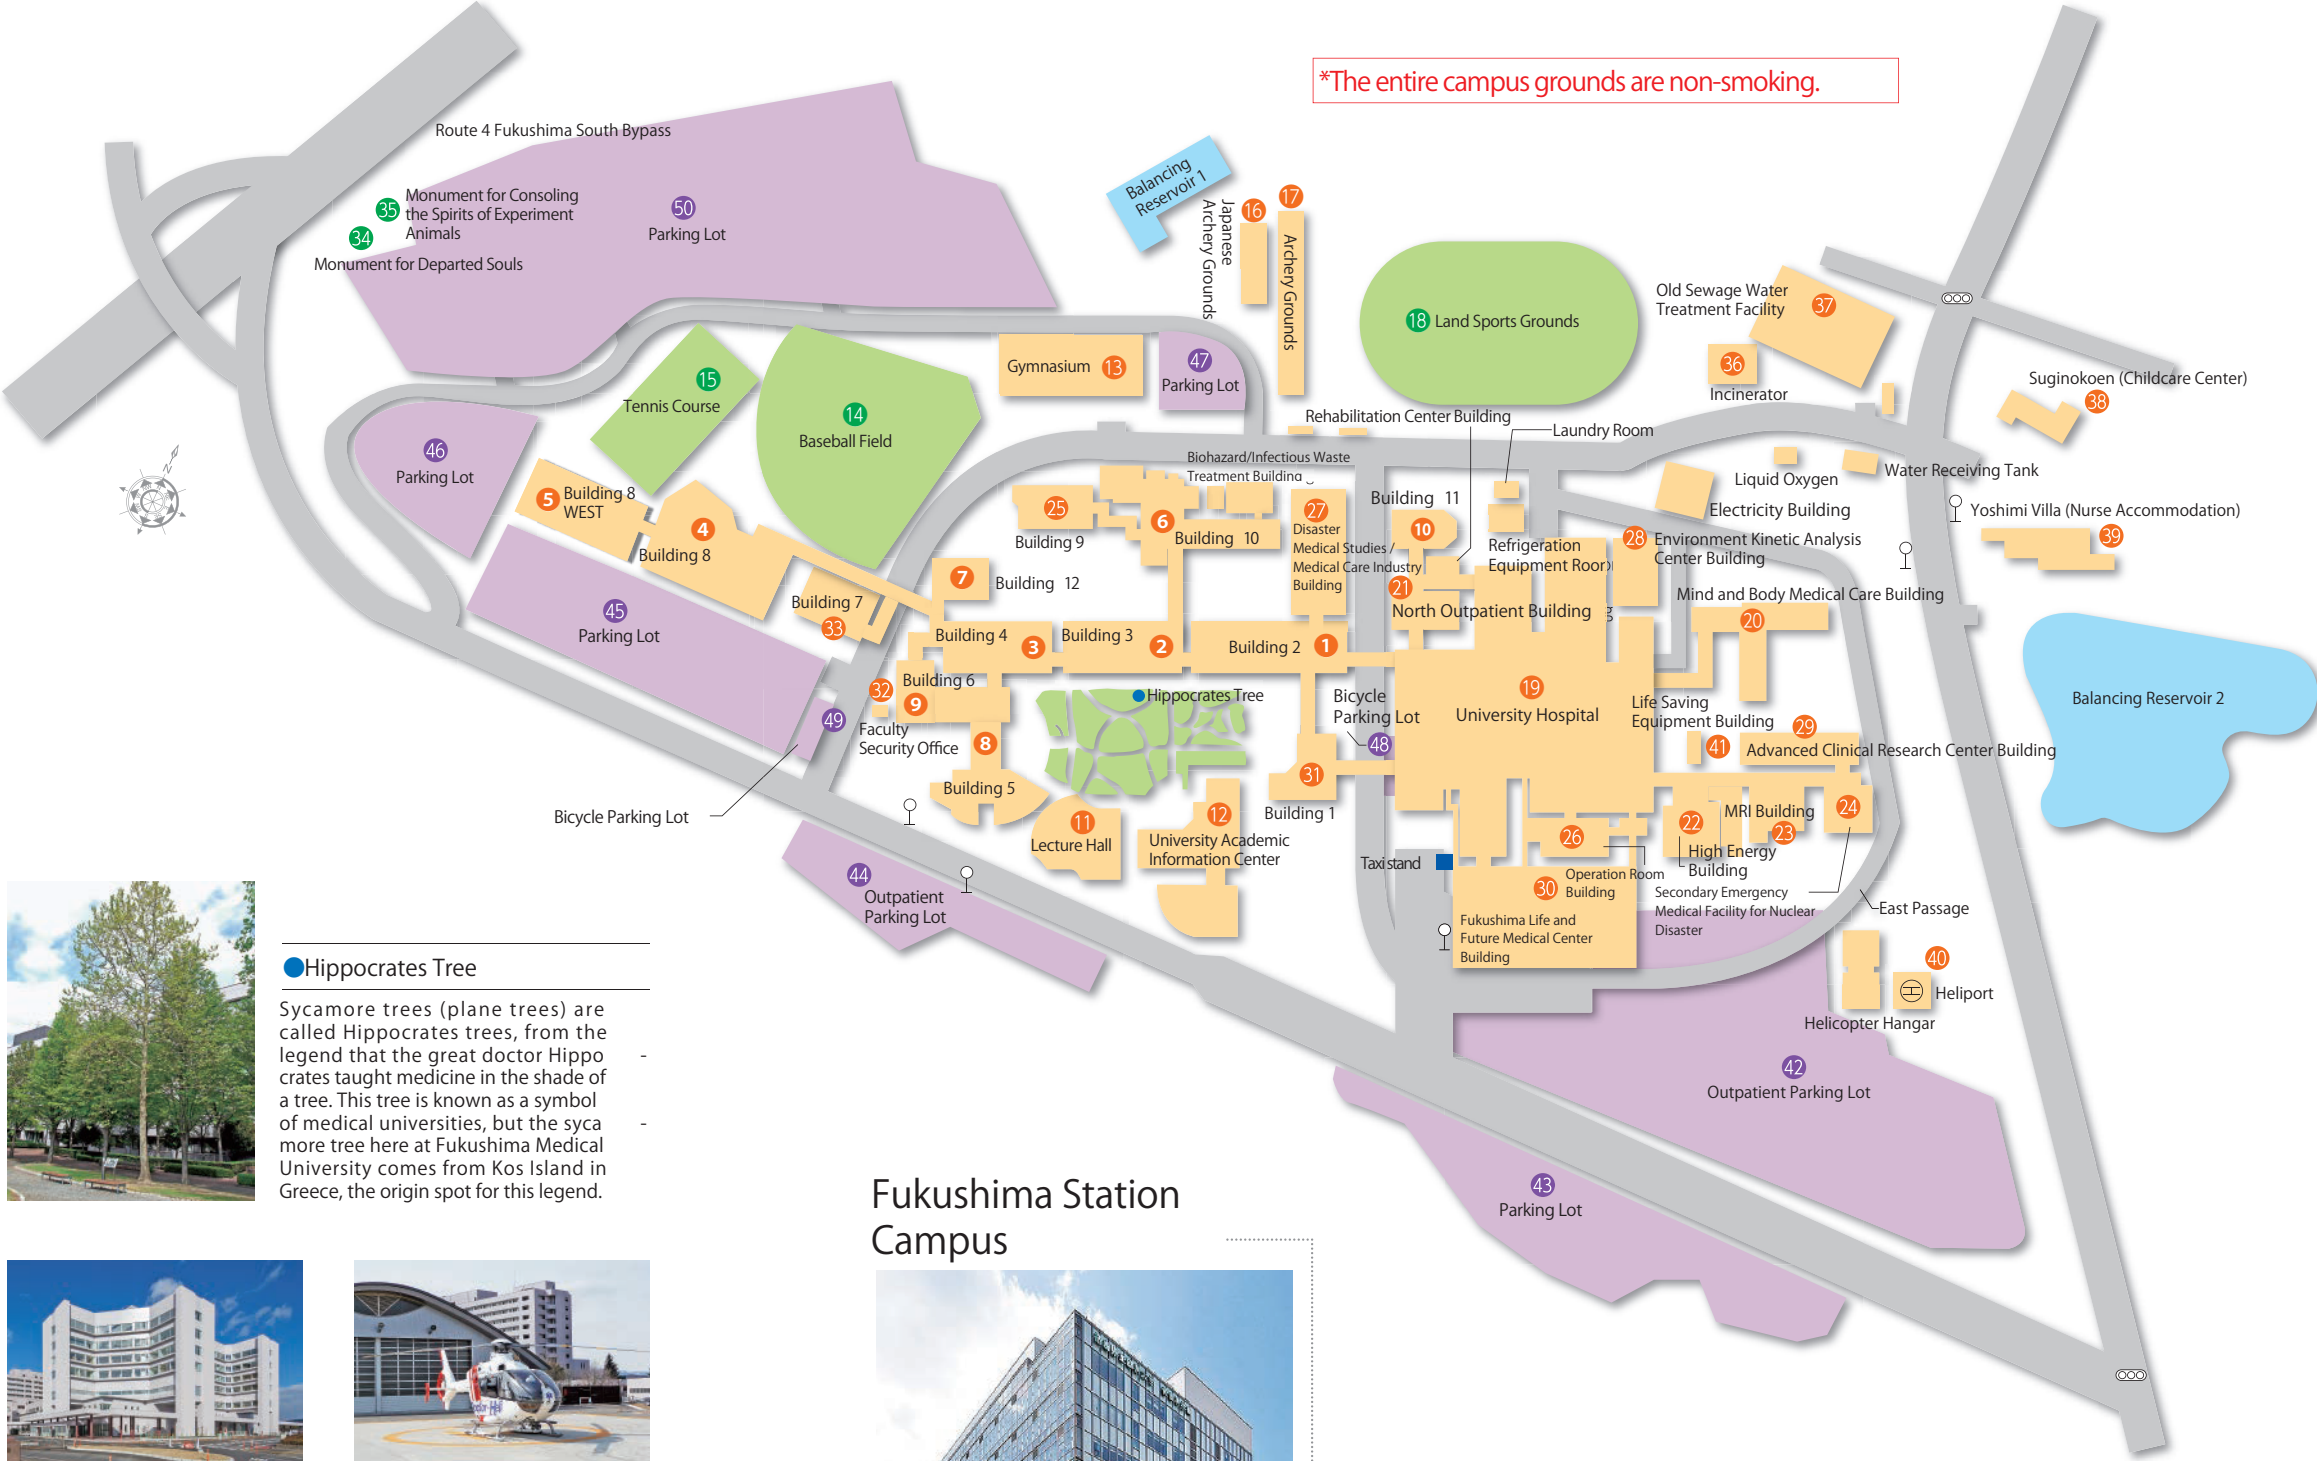

- 19 University Hospital
- 20 Mind and Body Medical Care Building
- 21 North Outpatient Building
- 22 High Energy Building
- 23 MRI Building
- 24 Secondary Emergency Medical Facility for Nuclear Disaster
- 25 Building 9 (Medical Research Center)
- 26 Operation Room Building

Fukushima International Medical Care Studies Center

- 27 Disaster Medical Studies / Medical Care Industry Building
- 28 Environment Kinetic Analysis Center Building
- 29 Advanced Clinical Research Center Building
- 30 Fukushima Life and Future Medical Center Building

Other Facilities

- 31 Building 1 (Management Building)
- 32 Faculty Security Office
- 33 Building 7 (Hikarigaoka Assembly Hall (Alumni Association Hall))
- 34 Monument for Departed Souls
- 35 Monument for Consoling the Spirits of Experiment Animals
- 36 Incinerator
- 37 Old Sewage Water Treatment Facility
- 38 Suginkoen (Childcare Center)
- 39 Yoshimi Villa (Nurse Accommodation)
- 40 Heliport
- 41 Life Saving Equipment Building

Hippocrates Tree

Sycamore trees (plane trees) are called Hippocrates trees, from the legend that the great doctor Hippocrates taught medicine in the shade of a tree. This tree is known as a symbol of medical universities, but the sycamore tree here at Fukushima Medical University comes from Kos Island in Greece, the origin spot for this legend.
